

Robert Lawrence Kuhn: Regulation of after-school tutoring industry a matter of common prosperity

People's Daily app

19:37, March 11, 2022

Chinese President Xi Jinping stressed efforts to promote common prosperity in the pursuit of high-quality development at a high-level meeting on August 17, 2021. What is common prosperity? How can China achieve this goal? Why is the regulation of after-school tutoring a matter of common prosperity?

Watch this video and hear what Robert Lawrence Kuhn says.
